## **U. PUTZ OFFERS FORTY-TWO \$6,000 SCHOLARSHIPS TO UNDERGRADS**

For the first year ever, *U. Putz Magazine of National College* will be presenting its eighteenth annual offering of forty-two \$6,000 scholarships to unbelievably adequate students in a selection of fields.

Twenty of the scholarships are from the National Barber's Association, twelve are from the Heaven's Gate Corporation, and the remaining ten scholarships from *U. Putz National* itself. Each of the scholarships reflects the many varieties of students and their talents, in so far as they have the ability to: (1) maintain acceptable grooming; (2) accept community; and (3) write for a magazine named with *U. Putz* in its name.

The qualifications and criteria for each scholarship is worthy of proper examination. Please be sure you qualify for the scholarship which you want to place for in the position of U. Journal (THE COMPANY). Be sure to note: You de xuesheng zai daxue hen ben. Also please note that THE COMPANY wil not be responsible for lost or missed chances. The scholarships are awarded with considerable lack of attention to race, gender, sexual talent, color, creed religion, or anything else that you probably think will give you an advantage Determination of scholarship recipients is the duty of the sir-citizen of the designated area.

The final scholarship winners will be printed in a previous issue and will receive the scholarship only after the student's academic career has been completed.

Due to the large number of applications, we can not guarantee all applications will be read, but a personal reply will be given to each entry, and personally rubber-stamped. All reasonable applications—from fashion, food and drink, stereo and sports cars to dating problems, taste and etiquette—will be rejected on the grounds that no #2 pencil actually contains any lead in it.
